This eight-day, customizable trip for two has been specially designed for you and your guest to enjoy that unique moment. You will enjoy exclusive experiences, some of the finest hotels, wine tastings, private drivers and tours, pampering and care as only Cieli di Toscana knows how to create.

With this tour for two, specially designed for Bridging Bionics, you will arrive and depart from Florence, the cradle of the Renaissance. You'll spend two nights at the **Villa Cora**, overlooking Boboli Gardens, on a hill just outside the historical center of Florence. Villa Cora is considered the most beautiful residence of the Tuscan

capital and you will join its list of legendary international guests. From Florence, with a wine tasting and lunch along the way at **Antinori**, one of Italy's most acclaimed wineries your private driver will deliver you to **Hotel Le Fontanelle**, the jewel of Chianti, where you will spend the next two nights. What was once a small hilltop village has been transformed into a retreat for the traveler in search of the essence

of Chianti. Your private guide will take you to scenic, historic **Montepulciano** and the enchanting streets of **Pienza**. From Chianti, you'll travel to **Tenuta Torciani** winery and the medieval towers of **San Gimignano** along the way to your next three nights at the luxurious **Toscana Resort Castelfalfi**. Surrounded by stunning scenery, you may enjoy spa treatments, a round of golf, or a private tour of the nearby, medieval, walled city of **Volterra** with lunch at the **Borgo Pignano**.
